## EXPERIENCE

### WORK FORCE MANAGEMENT

- Leveraged foresight to align personnel with mission goals, ensuring optimal deployment, adaptability, and resource efficiency. Enhanced operational readiness and achieved strategic objectives over 32 years in the Indian Army.
- Built a collaborative environment, fostering trust and motivation to **maintain high morale** and enthusiasm. By leading with personal example and recognizing to ensure the work flow.
- Completed tasks with **high standards while minimizing costs**, ensuring efficiency and value. By seeking regular feedback from seniors and taking initiative, consistently improved approach and contributed to process optimization.

### TRAINING OF TEAMS

- Continuously planned & implemented training of troops which included its administration and training with latest surveillance equipments and weapons in Army.

### SPECIALTIES

- Attended various Army courses on security , also was posted to various security sensitive areas like Kashmir , **managed crowds in various conditions while ensuring their safety** . Also stayed at various extreme climatic conditions such as **glaciers in Kashmir**, heavy rain fall in Arunanchal Pradesh & Nagaland Also did many military trainings in 50C + temperature in vast deserts of Rajasthan .
- Operated Surveillance equipments like **short range RADAR ,thermal imaging system , GPS , CCTV cameras & alarm systems**.Established a surveillance center ..
- Lastly posted to New Delhi where I **trained and administrated** many girl NCC cadets which came from esteemed institutions such as **Delhi University(DU),Jawaharlal Nehru University,Jamia Milia University** , Moreover I made sure there residency,security ,messing and hygienic surroundings in NCC campus and arranged **high quality supplies and arrangements for them**.

## Service and Expeience

### Service:

### Training:

- I enrolled in Army as an Infanterian and then went for training as a SIKH Regiment soldier in Ramgarh Centre, Jharkhand where I underwent various hardships be it physical challenges , Extreme competition along with vast disciplinary and professional changes which I adapted during the training.

### Field Service:

- I joined my unit in **Drass-Kargil Sector (1994-96)** and served nation while facing off many natural calamities such as **-65 C** temperature and did many operations with **avalanche rescue team** while countering back the cross border fires.
- Deployed in **Counter Insurgency Area** , Sri Nagar - Baramulla - Sopore - Uri. Faced many terrorists face offs while keeping the crowd safe and in control. Did many **Cordon and Search operations** to keep check on any danger .I was part of many ROPs and MCPs .
- My Unit was Deployed in Akhnoor sector at Jammu and Kashmir border which was filled with many **terrorist interference ,Enemy cross border firings , Enemy BAT actions and LC fence patrolling**. I was deployed as an in charge of Battalion briefings , Operation rooms and View points.
- Deployed at Uri-Gullmarg-sector where I **established a Battalion view point** for the VVIP Military officers briefing. I pioneered the **Battalion Grid System** of which I was made in charge of , this is a crucial surveillance system as it helped in reducing enemy troops and terrorist infiltrations .

### Experience:

- I was a part of the crucial **QRT(Quick Reaction Team)** team of Commanding Officer as a **map reader navigating** them through the harsh terrain of Kashmir Valley.
- I Secured 2nd Position in **Division&Command-Level BFSR Surveillance competition** , I won the **Best JCO competition** Division level, excelling in physical, briefing, written, firing, and lecture skills. Secured 1st position in Brigade-Level Map Reading competition.
- I have very vast experience in map crafting, briefings to VIP officers , maintaining Battalion view points and also sand model briefing to VVIP officers .
- I also have experience in **training and recruiting troops** for the safeguard of the nation.
- Played a leading role in organizing and establishing a successful 10 meter shooting range KOTA.
