CAREER OBJECTIVE

A highly motivated **Mechanical Engineer** with experience in **AutoCAD design, shipbuilding, and automotive industries**. Seeking an opportunity to apply my technical expertise, problem-solving abilities, and design skills in a dynamic organization that values innovation and professional growth.

EDUCATION

Degree	Institution	Board/University	Year	GPA/Percentage
B.Tech in Mechanical Engineering	Modern Institute of Engineering & Technology	Maulana Abul Kalam Azad University of Technology	2024	7.87 CGPA
Diploma in Mechanical Engineering	Memari Government Polytechnic	West Bengal State Council of Technical Education	2020	81.8%
Higher Secondary (Science)	Baratajpur High School (H.S.), Begampur	West Bengal Council of Higher Secondary Education	2017	71.2%
Secondary Education	Baratajpur High School (H.S.), Begampur	West Bengal Board of Secondary Education	2015	59.4%

WORK EXPERIENCE

NIPHA EXPORTS (P) LTD. | Design and Development Engineer

May 2025 – Present

- Engaged in product design and development of mechanical components and systems.
- Used CAD tools to design, modify, and improve industrial machinery parts.
- Collaborated with cross-functional teams for product innovation and quality improvement.

Stylo Media Private Limited | AutoCAD Designer

January 2023 – April 2025

- Designed and drafted **packaging layouts** using **AutoCAD**.
- Collaborated with the design team to create precise and efficient **2D/3D drawings**.
- Assisted in **product development and prototype design**.

Garden Reach Shipbuilders & Engineers Limited (GRSE) | Apprentice Trainee

February 2022 – January 2023

- Gained hands-on experience in **shipbuilding and marine engineering**.
- Assisted in **quality checks, material inspection, and assembly processes**.
- Worked with senior engineers on **mechanical component design and fabrication**.

Bhandari Automobiles (Tata Motors) | Training Intern

June 2019 – July 2019

- Underwent practical training in **automobile assembly and maintenance**.
 - Studied **engine components, repair techniques, and vehicle diagnostics**.
-

TECHNICAL SKILLS

- **Design Software:** AutoCAD (2D/3D), Adobe Illustrator (Basic)
 - **Programming Languages:** C, C++, VB.Net, VB 6.0
 - **Tools & Platforms:** Microsoft Office (Word, Excel, PowerPoint)
 - **Mechanical Skills:** Machine Design, Quality Control, CAD Drafting
-

CERTIFICATIONS & TRAINING

- **AutoCAD Training Certificate** – Recognized Course in 2D/3D Design
 - **Apprenticeship Training** – GRSE, Ministry of Defence (Govt. of India)
 - **Industrial Training** – Tata Motors (Automobile Maintenance & Engineering)
 - **AI Immersion Week Program** – Organized by CII, HP, and upGrad
-

PROJECTS & ACHIEVEMENTS

- **Final Year Project:** Developed an **automated material handling system** to improve factory efficiency.
 - **Technical Paper Presentation:** Presented a study on **energy-efficient mechanical systems** at a college seminar.
-

PERSONAL DETAILS

- Languages: **English, Hindi, Bengali**
 - Availability: **Immediate**
 - Relocation: **Open to opportunities across India**
-

DECLARATION

I hereby declare that the above information is true and accurate to the best of my knowledge.
